

Emmanuel Student Ministry Plan

Emmanuel Student Ministries exists to fulfill the great commission by engaging families, equipping students, and evangelizing our community with the Gospel of Jesus Christ.

Engage: By forming relationships with students, their friends, and their families, we will endeavor to open doors to share the Gospel of Jesus Christ.

To effectively engage the community, Emmanuel Student Ministries will:

- Host fun, fellowship-driven events. (Hebrews 10:25)
- Serve the community by partnering with ABCS and other like-minded ministries. (Galatians 5:13)
- Communicate effectively with students, and their parents/guardians.
- Create a fun and inviting atmosphere for students on Wednesday nights.
- Build authentic relationships with students and their families.

Equip: Students who leave the student ministry will be more prepared to enter the world as a young Christian adult. They will be better equipped to serve in their churches, evangelize in their workplace/college campuses, and will have a thorough understanding of the Christian worldview.

To effectively equip students, Emmanuel Student Ministries will:

- Allow/encourage students the opportunity to serve.
- Teach topically, as well as through the books of the Bible, at an age-appropriate level.
- Hold students accountable through the formation of small groups.

Evangelize: Sharing the Gospel of Jesus Christ is of the utmost importance, and integral to everything we do. Apart from Christ, we can do nothing. (Romans 10:11-15)

To effectively evangelize the community, those involved in Emmanuel Student Ministries will:

- Share the Gospel regularly and frequently.
- Understand that the purpose of our ministry is bring glory to God by evangelizing our community in order to realize the ultimate goal of worship. (1 Peter 3:15)
