Session X Week 5

## *Hello, My Name Is...*

### ***Getting Started...***

***Before you start, ask someone to pray for the facilitator who will guide the discussion.***

### ***Getting to Know One Another...***

What impact has social media had on your private life...your public life?

What is one thing that stood out to you from Sunday's sermon, and why?

Brandon said that we all tell ourselves lies about ourselves. Are there degrees of honesty? Why should you try to be totally honest?

Would you cheat on your income taxes if you knew you could absolutely get away with it? Why or why not?

### ***More....***

Read 1 Timothy 3:4-5

What happens in a person's private life spills over into his public life, his ministry. Do you agree or disagree?

Why can't all of us just say "what happens at home, stays at home"? What is the difference between keeping private things private and compromising our integrity according to God's Word?

What do you think Paul meant when he said a man must “ruleth well his own house”?  
(1 Tim 3:4-5 KJV)

What’s the difference between being trustworthy and being incorruptible?

What does the condition of your relationships say about your integrity? What would your spouse or best friend say?

Read Hebrews 4:12 We should treasure God’s Word above all worldly counsel. Share a time when God’s Word pierced your heart and caused a change in your life.

### **Taking It Home...**

Would the people who worship with you on Sundays be surprised by the behaviors and language you demonstrate in private? On the other hand, would your colleagues or family members who interact with you throughout the week be surprised at the “you” they see on Sundays?

Do you really treasure God’s word above all worldly counsel? Is this demonstrated in your daily life?
