

What is the Spirit Saying to Us?

Getting Started...

Pray for the leaders of your group and our church. This is the final week of this session of LifeGroups.

Getting to Know One Another...

If you are at a friend or relative's house for dinner and you find a hair in your salad, what would you do?

What is one thing that stood out to you from Sunday's sermon, and why?

Anthony Laird said that our glorious Lord is among His churches, walking among them, concerned over them, speaking to them, loving them. Read Rev. 2:2-3 What did the church at Ephesus have going for it?

What did Jesus have against them? (Read Rev. 2:4)

More....

What does it mean to "abandon your first love"? (Some versions say "forsake your first love.") What does the use of that verb imply?

Is it hard to keep your first love for God? At what point in your life were you most excited about Jesus?

What decisions did you make that resulted in your feeling on fire for Christ?

If we all did the things we did when we were first dating, would we come to feel as we felt then? So do feelings follow behavior or is it the other way around?

What do worship and service without God's presence look like? How do we fall into this spiritual trap?

Read Rev. 2:5. What did Jesus instruct the church to do? What happens if the church fails to do it?

How will you be sure you are "he who overcomes"?

Read Rev. 2:7 What is the main point of the Christian life?

Taking It Home...

What are your heart motives in living like a Christian, serving God, worshiping Him?

Is your increasing love for God demonstrated in your life by an increasing love for others?
